

aestate.work.repository.
Repository.find_many

```
graph LR; A[aestate.work.repository.Repository.find_many] --> B[aestate.start]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'aestate.work.repository.Repository.find_many' on two lines. The right box is white with a black border and contains the text 'aestate.start' on one line. A blue arrow points from the right side of the gray box to the left side of the white box.

aestate.start
