

aestate.dbs._mssql.Fields.eq

```
graph LR; A[aestate.dbs._mssql.Fields.eq] --> B[aestate.dbs._mssql.Fields.parse<br/>_field]
```

The diagram consists of two rectangular boxes connected by a dark blue arrow pointing from left to right. The left box has a light gray background and a black border, containing the text 'aestate.dbs._mssql.Fields.eq'. The right box has a white background and a black border, containing the text 'aestate.dbs._mssql.Fields.parse' on the top line and '_field' on the bottom line.

aestate.dbs._mssql.Fields.parse
