```

The diagram illustrates a directed graph with three source nodes on the left and one target node on the right. The source nodes are: 'demoModels.ReadXmlClass.find AllById', 'demoModels.ReadXmlClass.insertTest', and 'demoModels.ReadXmlClass.updateTest'. The target node is 'aestate.work.Annotation.Item'. Three blue arrows point from each source node to the target node, indicating a many-to-one relationship.
