

ModuleNotFoundError

```
classDiagram
    class ModuleNotFoundError
    class aestate_exception_ModuleCreateError["aestate.exception.ModuleCreateError"]
    aestate_exception_ModuleCreateError --|> ModuleNotFoundError
```

The diagram consists of two rectangular boxes. The top box is white with a thin grey border and is divided into three horizontal sections. The top section contains the text 'ModuleNotFoundError', while the two bottom sections are empty. The bottom box is grey with a thick black border and is also divided into three horizontal sections. The top section contains the text 'aestate.exception.ModuleCreateError', while the two bottom sections are empty. A blue arrow points from the top edge of the bottom box to the bottom edge of the top box, indicating an inheritance relationship.

aestate.exception.Module
CreateError
